COUNTY BOARD OF EXAMINERS

John F. Martens, Kalamazoo, R. 6
Roy McIntyre, Kalamazoo
Mary Ensfield, Kalamazoo

TRUANT OFFICER

Frank H. Brown, Kalamazoo

NOTICE TO TOWNSHIP CLERKS

The following list of teachers includes all who have received or filed their certificates in this county to November 1, 1932. When you examine your director's reports should names of teachers, not herein included, be found on such reports, they cannot be accepted until evidence is presented to you that such persons were qualified teachers in the county at the time.

NOTICE TO SCHOOL OFFICERS AND TEACHERS

No teacher is legally hired unless there has been a legal meeting of the School Board, at which time the majority of the Board voted to hire such teacher. School officers cannot contract with a teacher not holding a certificate, valid in the county where she expects to teach. No public money can legally be paid to such a teacher. Districts employing such a teacher will forfeit primary money the following year. A contract must be made and signed by the school board and the teacher. At the time of the signing of said contract and any renewal thereof each teacher shall make and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the constitution of the United States of America and the constitution of the state of Michigan and that I will faithfully discharge the duties of the office of teacher according to the best of my ability," which shall be embodied in and made a part of said contract. The several members of the board of education school trustees, school commissioners and superintendents of schools are hereby authorized to administer said oath. The word "teacher" shall be construed to include superintendents, principals and supervisors of schools.

A certificate must be filed in the office of the county school commissioner and institute fee paid before such a teacher is qualified to teach and draw public money. (See General School Laws).
